

Do you have experience with substance use?

confidential

**non-
judgmental**

Who can participate?

- ...women and genderqueer people
- ... any age from 16 years
- ... experience with drug use
- ... living in Vienna or surrounding areas

anonymous

respectful

voluntary

Your contribution matters – take part in our study!

We are conducting a confidential study on how gender and different life circumstances influence the use of psychoactive substances.

Why participate?

Help us to make harm reduction services more accessible to women and genderqueer people.

Interested or have questions?

You can find more information about the study via the QR code or visit <https://meropitzanetakis.com/genderstudie.html>

This study is led by Meropi (she/her) at WU Vienna University of Economics and Business. We are a research team from WU Vienna in cooperation with checkit! of Suchthilfe Wien.
